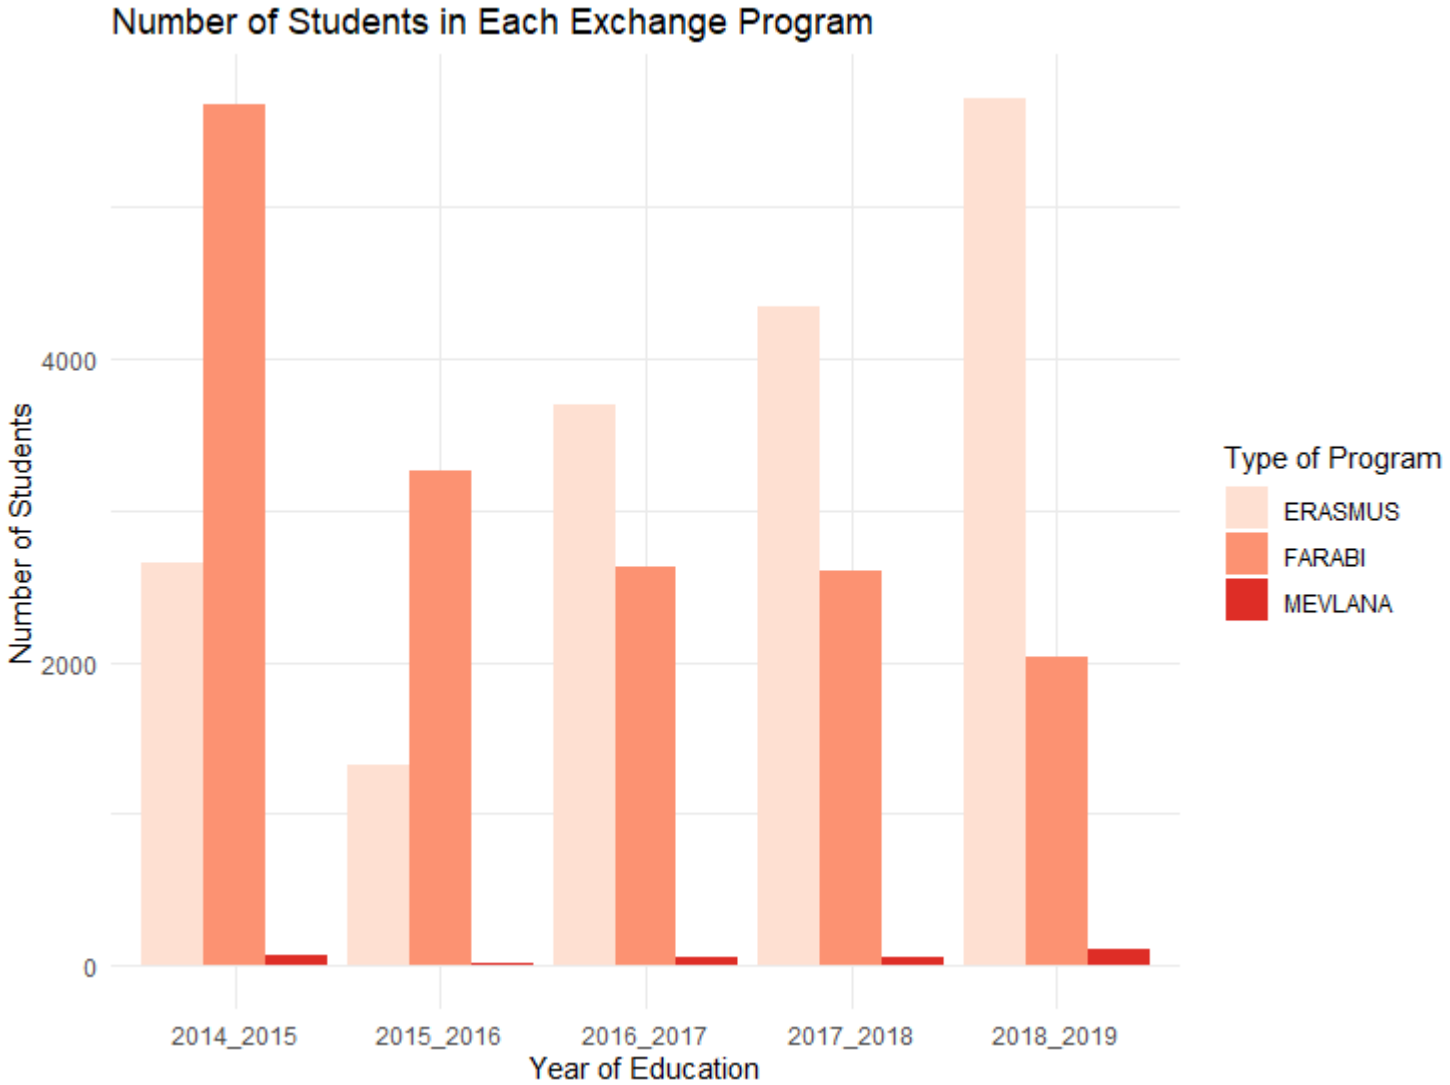
"Erasmus" became the most preferred program by students after the 2016 events.

(2014-2015) vs (2018-2019)

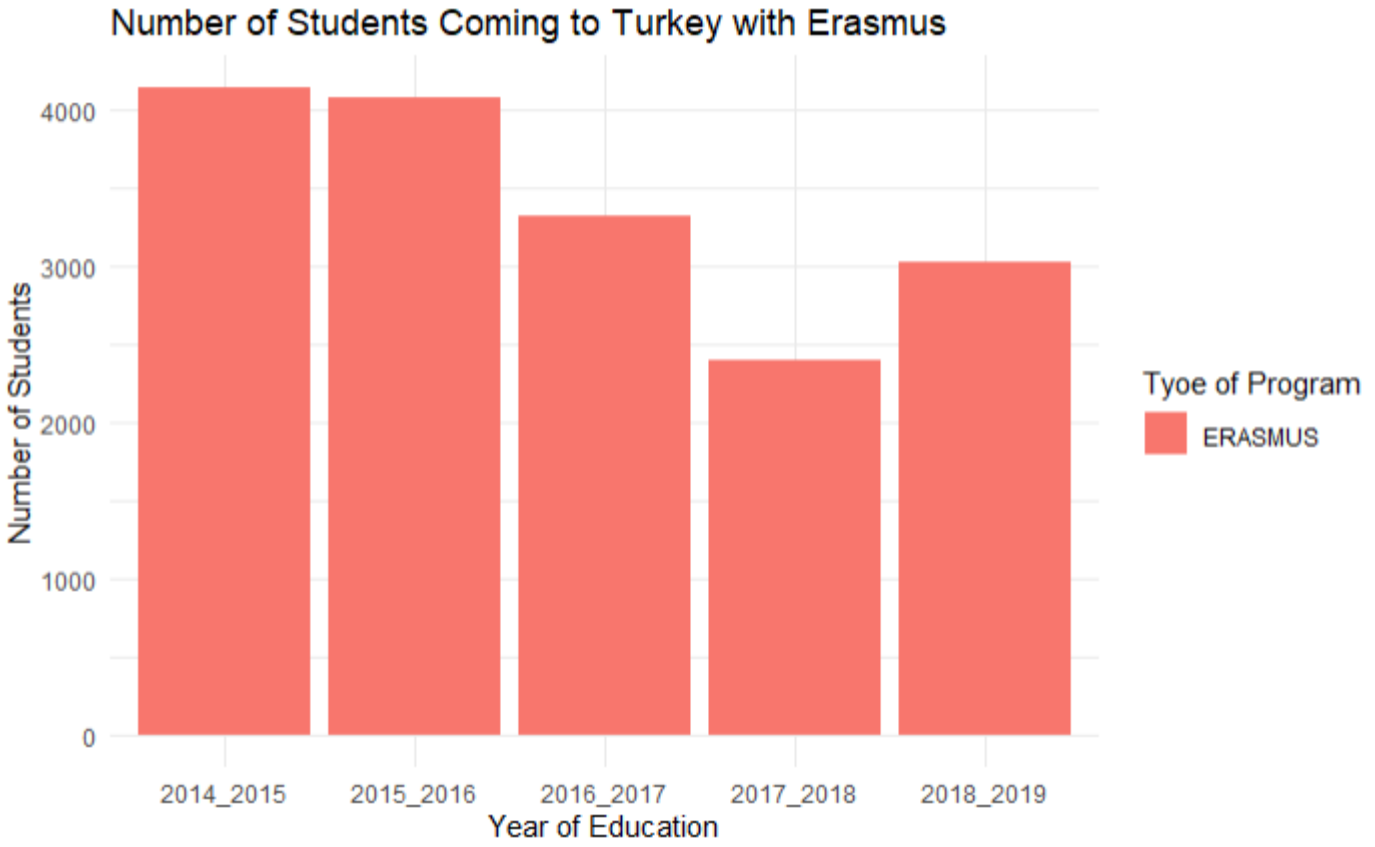
- 2014 – 2015
  - Erasmus – 2,657
  - Farabi – 5,675
  - Mevlana – 65
- 2018 – 2019
  - Erasmus – 5,714
  - Farabi – 2,036
  - Mevlana – 110



EXCHANGE PROGRAM

incoming students

- There is decrease in incoming student number due to 2016 events.



OUTGOING VS INCOMING

- State schools are the ones who sends out the most outgoing students. This is because the absolut number.
- Most of incoming students are coming to foundation universities.
- In incoming students, there is no as significant decrease as in outgoing students. This is because of currency shock.
